

## AUTOMOTIVE COLLISION REPAIR TECHNOLOGY

<b>Courses</b>	<b>Course #</b>
Introduction to Collision Repair Technology	COLL100A
Auto Collision Non-Structural Metal Straightening/Repair	COLL110A
Auto Collision MIG Welding	COLL120A
Auto Collision Trim and Hardware	COLL130A
Auto Collision Plastic Component Repair & Replacement	COLL140A
Automotive Body Panel Adjustment and Alignment	COLL150A
Workforce Transition III	COLL160A
Refinish Preparation	COLL170A
Refinish Application	COLL180A
Refinish Color Adjustment	COLL190A
Refinishing Blending & Painting Defects	COLL200A
Automotive Detailing	COLL210A
Auto Collision Damage Analysis	COLL220A
Auto Body Panel Adjustment and Alignment	COLL230A
Auto Collision Cutting and Heating Process	COLL240A
Automotive Glass Replacement	COLL250A
Auto Collision Squeeze-type Resistance Spot Welding	COLL260A
Auto Collision Aluminum Welding	COLL270A
Auto Collision Steering & Suspension	COLL280A
Auto Collision Structural Repair	COLL290A
Auto Collision Structural Component Replacement & Sectioning	COLL300A
Workforce Transition IV	COLL310A
Workforce Transition II	COLL320A
Workforce Transition I	COLL330A

### **Career Majors with Courses**

#### **Non-Structural Repair Technician**

Introduction to Collision Repair Technology	COLL100A
Auto Collision Non-Structural Metal Straightening/Repair	COLL110A
Auto Collision MIG Welding	COLL120A
Auto Collision Trim and Hardware	COLL130A
Auto Collision Plastic Component Repair & Replacement	COLL140A
Automotive Body Panel Adjustment and Alignment	COLL150A
Workforce Transition III	COLL160A

#### **Refinishing Technician**

Introduction to Collision Repair Technology	COLL100A
Auto Collision Trim and Hardware	COLL130A
Refinish Preparation	COLL170A
Refinish Application	COLL180A
Refinish Color Adjustment	COLL190A
Refinishing Blending & Painting Defects	COLL200A
Automotive Detailing	COLL210A
Workforce Transition III	COLL160A
